Customer Reviews

There are several harp arrangements of this song available. I think this one is the best. The skill level is easy to intermediate; a more advanced player could easily add complexity if desired. This popular song is really in demand right now.

Awesome arrangement for intermediate harpist

I bought this as a gift for my Aunt and her granddaughter. Both are learning to play the harp. My Aunt is a piano teacher, she was very impressed with how it is arranged for all playing levels.

This is an Amzing arrangement and I'm so glad I bought it. I love playing it.

Love Sylvia's arrangements. So easy to learn.
