Danger On A Silent Night (AIO Imagination Station Books)

Synopsis

Beth and Patrick travel to the Holy Land. Patrick joins the wise men as they travel toward Jerusalem. Beth winds up at Herod's palace and sees the king's reaction when he finds out about the newly born King of the Jews. The cousins meet up at the palace. Devout Simeon tells them where they can find the baby Jesus. Beth and Patrick set out with the wise men only to discover they've been followed by one of Herod's soldiers. Knowing that death is in store for the Baby Jesus if the soldier finds Him, Beth and Patrick carry out a plan to keep the baby safe.

Customer Reviews

My 9 year old son, who HATES to read, absolutely LOVES this series of books! My son has struggled to learn to read since kindergarten. Now that he is in 3rd grade, he has steadily progressed in his reading ability. Anytime I ask him to read "required" material, he balks. Then, he recently discovered some Imagination Station books on his brother's bookshelf. He started reading and hasn't stopped. He's read 12 books in the past 3 weeks...which is HUGE for him! I wish these books were still being written because I don't know what he will read next. But, I'm thankful for the

time he's had with this series. Additionally, the Imagination Station books have history thread throughout them. He's reading and learning at the same time. Thank you, Focus on the Family, for an amazing series!

Danger on a Silent Night is the 12th book in The Imagination Station series. If you are a fan of Adventures in Odyssey you know that the Imagination Station is a time traveling invention made by Mr. Whittaker. This series of books takes your kids to different points in history in a fun way. In this book Beth has decided not to do gifts this year. Patrick tells her it is a tradition and she has to but Beth says it doesn't even go back that far. Whit decided to send them back to the time of the wise men so they could learn the meaning of Christmas and that gifts go way back. I loved that this book stayed very accurate to the actual story by showing that there were probably more than three wise men and that they didn't show up right at Christ's birth. This is a fabulous book to help your child learn more about Christmas.

My favorite Imagination Station book so far... and my kids loved it, too. It was the perfect thing to read the week before Christmas, though it would be a wonderful read any time of the year. Reading it aloud before bed to my 4 kiddos was nice, and it was a nice, new and different way to tell the Christmas story. It felt like we were there as Beth was holding and playing with baby Jesus. It touched all of our hearts.

Really enjoyed this book. This time Patrick and Beth are traveling to Bethlehem with the Wise Men to see Baby Jesus. There are many trials to overcome as they go to Jerusalem to talk to King Herod. Beth happens to be a slave for the king. How do the cousins get back together and get to see Jesus? You will have to read the book to find out. Highly recommended reading.

My kids at school loved this series. It is easy enough for struggling readers and interesting enough that many of my stronger readers went through the whole series so really good for getting kids into sharing their books without making them feel like their reading skills (or lack thereof) were obvious. Christian focus is very gentle so good for all the families.

You should really get this because it is really good. Possibly my favorite one. I like it because it is about what Christmas is really about.

My children enjoy the Imagination Station books. The stories are interesting, informative, and thought provoking. They take you back in time and apply Christian life lessons while you learn historical lessons. I highly recommend them all.

My grandson does not like to read as a rule but has enjoyed all the Imagination books. It captivated his interest and has helped his reading skills.
