Jonathan Fenske has written and illustrated several Penguin Young Readers, including *Guppy Up!* and *Woodward and McTwee*. He was a Cybil Award finalist for his reader *Love Is in the Air*. He lives in Denver, Colorado.

This book has all the things that early readers need and like: humor, pictures that tell part of the story, just a few words on a page, an easily read font and rhyming. I have kid tested it with several struggling readers, they all loved it.

5-yr-old loved it! She has others in the series as well.

The fox can still be a sly character but the pig is innocently funny. I love reading it (I am adult- I

purchased it for my 8 year old daughter).

Great fun can't wait to read it to my grandchild

This book is hilarious! Fox is mischievous, and pig is gullible. This is pretty much a lesson like the one from "The Boy Who Cried Wolf". Fox keeps tricking pig into thinking Fox needs help, and when Fox finally does need help Pig doesn't believe him. The story is hilarious and involves pranks, getting squished under things, and even using wigs as props. It is a cute book and an easy read for beginner readers. My 6 year old made it through the entire book with only needing help on 1-2 words. A great book overall.

So many great books out there for kids, but this one is genuinely funny. Buy it!

Fun book which will keep you and your child reading it time after time.

My grandsons, ages 3 and 6, just had the best time giggling while enjoying this book. Me too!!
