Nikon D3400 For Dummies (For Dummies (Lifestyle))

Synopsis

Discover the essentials to getting better photos with the Nikon DSLR D3400 The Nikon D3400 hits stores as Nikon's most advanced entry-level DSLR camera. Along with the pixel power to deliver sharp images, it also offers tools to be instantly creative and quickly share photos to a smartphone. This book will get you up to speed on the D3400 in a flash—teaching you all the basic photography skills needed to get great shots from a DSLR camera, while also giving you clear, hands-on guidance through the D3400's specific controls. Nikon D3400 for Dummies helps you learn the ins and outs of the Nikon D3400, including how to get started right away in auto mode, get creative with scene modes, and take full control in manual mode. Filled with practical, easy-to-follow instructions, this book will help you transform from an inexperienced beginner to an advanced shutterbug whose shots could grace the cover of any popular magazine. Get the lowdown on the controls and settings on a Nikon D3400 Learn how pro photographers set their cameras to get better shots Discover the tools that control your camera's exposure settings Put your newfound knowledge together to shoot better portraits, action shots, and low-light images If you're ready to put down your dinky, dim-lit, non-zooming smartphone and pick up a real professional-grade DSLR camera, do so with the help of Nikon D3400 for Dummies.

This book is helping me learn how to use the camera

It is a book for dummies, what's not to like.

Use it as a reference. Plan to read it too.

I really like the Nikon D3400 and this "dummies" book made clear a few essential points that would otherwise would have frustrated me for a while without clarification. That rates a 5-Star rating from me!

Quick way for MR. low tech to get comfortable with new tech .

Gives you all the information you may want for the Nikon D3400.

This book is so informative & thorough. You'll have what you need to know about D3400. It's more than what I expected. I'm so pleased with my purchase plus the shipping is quick.

This is exactly what I needed. Now I just need to read the whole thing.
