Kennedy Stern Christian Suspense Box Set (Books 1-3)

Synopsis

Three full-length suspense novels from multi-award winning Christian novelist Alana Terry. Buy today and help save a refugee on Liberty in North Korea's underground railroad! A three-in-one bundle of suspense and page-turning excitement as missionary kid Kennedy Stern faces more danger, mystery, and controversy than she knows how to handle. Confronted with questions of underage abortion, plagued by a stalker and paralyzing PTSD flashbacks, and eventually caught in the center of a police brutality scandal, Kennedy discovers that her first year at Harvard University involves a lot more than passing a few lab classes and fulfilling her premed requirements. With her parents serving North Korean refugees overseas, Kennedy befriends a loving and highly opinionated pastor, his hospitable and encouraging wife, an eccentric but respectful roommate whose worldview is drastically different from Kennedy's, and a foreign lab partner who's harboring a grave secret he'd do just about anything to keep from being exposed. The Kennedy Stern Christian suspense series tackles controversial issues facing the church today and brings them to light in a way that encourages questions and fosters discussions without ever turning preachy or heavy-handed. Find out why readers from all faiths and denominations, all walks of life, and all sides of the political spectrum are devouring this thought-provoking series from edgy Christian fiction author Alana Terry, who has won awards from Women of Faith, Grace Awards, The Book Club Network, Readers' Favorite, and many others. A portion of book sales will be donated to Liberty in North Korea and their work to bring North Korean refugees to freedom. Our goal is to raise enough money to rescue a refugee through LiNK's underground railroad, so download your three-in-one box set today.

Customer Reviews

Some novels do very well at entertaining. They have a great plot which makes you feel the way the genre is supposed to make you feel. Then there are other novels that make you think. They do this well and don't necessarily come across as heavy-handed, but you can tell that the plot is just a vehicle or a tool to help you consider some things from a new angle. Then, there are those other books, rare jewels of literature which succeed at doing both. The Kennedy Stern novels by Alana Terry fit into this third category. The stories will keep you turning pages long after you KNOW you should have stopped, and you'll also find yourself carefully thinking about things. If you never cared much about the topic of a book, you'll have given it some thorough consideration by the time you're finished. If you have a firmly settled position on a controversial subject, the story will have you thinking more carefully about it. These books never promote a particular view, rather they introduce characters who properly present most positions in a completely fair and even-handed way. Both highly entertaining and deeply thought-provoking, these are some of the best uses of your reading time that I can think of. Pick up this bundle, and I'm fairly sure you'll be back here for the rest of the series.

Strong female main character. Super smart missionary kid comes to Harvard for a medical degree. Enjoyed the first book but kind of scary, second book had a lot of recalling from the first book. The third book had a bittersweet ending.

What An awesome set of suspense loved all three and learned what awesome prayers were offered up to holy God

As always suspenseful..totally in love with Alana Terry books worth taking another look if ur up for

some good reading

Loved the way Kennedy deals with real life issues American believers face in present culture. Very engaging, read all three in two days!

Pretty good reading. A little slow for me.

GREAT AUTHOR AND VERY WELL WRITTEN BOOKS!

Loved the 3 book set! Exciting from beginning to end..and I have now purchased the next 3 and anxious to start reading them.
