The Accessible Federalist: A Modern English Translation Of 16 Key Federalist Papers

Synopsis

This modern English version of sixteen of Publius's most important essays is designed to set forth their argument in the clearest terms: the promise of the U.S. Constitution. Though *The Federalist* was itself written for the same purpose, the complexity of its prose and the meaning of several of its key terms have now passed out of currency—•with the result that the original texts are now less able to communicate effectively to the uninitiated than they were when the first essays were published in 1787. Faithfully re-phrased for modern readers by an established and respected scholar of American political thought—and supplemented by quotations from the original texts—the selected essays included here offer today's readers a judicious and effective first approach to *The Federalist*'s most important ideas.

Book Information

Paperback: 138 pages

Publisher: Hackett Publishing Company, Inc. (February 14, 2017)

Language: English

ISBN-10: 1624665500

ISBN-13: 978-1624665509

Product Dimensions: 5.5 x 0.3 x 8.5 inches

Shipping Weight: 6.4 ounces (View shipping rates and policies)

Customer Reviews

"I assign students to read *The Federalist* so they will grasp the ideas. But too often they can't get past the words. Adam Seagrave's *The Accessible Federalist* will enable readers of all backgrounds to understand the ideas that shaped the Constitution. It will also spur many readers onward to study and appreciate the original texts. I hope it gets wide attention and classroom use."

—•James H. Read, Professor of Political Science, College of Saint Benedict and Saint John's University

S. Adam Seagrave is the Kinder Institute Associate Professor of Constitutional Democracy, University of Missouri.
