I bought this to include in a Cookie-themed basket I was making up for a Silent Auction fundraiser. It is a beautiful book -- full of photographs, easy to open (and keep open) and read, and containing many recipes of every cookie variety. You can't go wrong with this one!

I wasn't really a baker kind of person before I got this book. A coworker of mine brought it to work one day to give the recipe to another co worker of ours and I thought it looked fun. I was right, this book is so much fun. It's super easy to find recipes that are simple and usually require just what I have on hand. Everything I make is delicious and people are often asking me for the recipes after. All I can say is I love it, and as someone who never really baked before I find it really easy to follow.

Love love love love! So many wonderful recipes, will be used a lot during the holidays seasons and

winter evenings.

I have been baking for years and have made more cookies than I can count. However, I got tired of searching through various recipe books, websites, or clipped recipes when wanting to try a new cookie recipe. I decided to buy this book after seeing it in a library. This is a great investment. This will likely become your new 'cookie bible'. It has every cookie recipe imaginable. From chips to bars to no bake to refrigerator to spritz. Every holiday is covered as well. This book has over 600 recipes and many have pictures. It is reasonably priced and a smart addition to your kitchen. I have made it my goal to bake a different recipe each week throughout 2013. So far so good, except for my waistline! Enjoy.

I recently bought this as a gift for my mom who loves to bake cookies. I've had my copy for many years and absolutely love this cookie book. I live in Texas and Mom lives in Ohio--now we can share those recipes that work well for each of us.

Gave it as a gift. Great book.

Good recipes and ideas.

Love this book
