Customer Reviews

Beautiful, better than expected, very well made.

Nice protection for my books. Am pleased with purchase.

The inside zipper needed adjusting when I first got it but otherwise it is exactly what I wanted. It fit my Bible perfectly. The color is exactly as pictured.

Does the job, boyfriend likes it. Frequently used, so far no issues after 7 months. Great color, recieved accurate to picture

zipper dismantlement on first use. refunded and paid shipping with no problem. THANKS

The zipper of the inside pouch inside was just missing completely. Since this is imported it would make no economic sense to ship it at my cost. I guess I am stuck with this defective piece for now. The quality check has to be extra vigilant on imports to make sure customers are not left without an option and of course avoid negative feedback.

Fit my leather Urantia Book perfectly.

NICE LOOK
