Customer Reviews

Added this book after buying the first 2 versions. These are the ones used by our child's instructor and our child seems to be able to read them well. Good training material for a more advanced player. Note: this is not a good book for beginners, but the title should already make that obvious.

OK

Came very quickly. exactly what we needed!

Great quality book, my son uses this for band.

Great Band Method.

Exact book needed for band class.

I like it.

It was needed for school.
