Love, Always: Partners Of Trans People On Intimacy, Challenge And Resilience

Synopsis

Love, Always is the first collection of writings by partners of trans people exploring the impact of gender transitioning on their relationships and families. As media visibility of trans people rises, so does the need to hear from their loved ones who also go through transformations of their own when their partners transition. In moving testimonies of trial and triumph, partners voice their feelings about their partner's gender transition and its effects on a range of issues, including childrearing, sexual intimacy, shifting relationship dynamics, public disclosure, finances and more. These personal testimonies of resilient love and commitment are a refreshing alternative to the narratives of tragedy and loss encountered so often of trans people in the media.

Customer Reviews

Becky Garrison is a Contributing Editor for Sojourners. Her books include *The New Atheist Crusaders and Their Unholy Grail*, *Rising from the Ashes: Rethinking Church*, and *Red and Blue God, Black and Blue Church*. Her additional writing credits include work for *The Wittenburg Door*, *Geez*, *Killing the Buddha*, and *Religion Dispatches*, as well as various other odd and sundry publications.

I think there are some interesting stories in this book. However, I see this as more of an artistic/abstract book rather than telling stories from the partner perspective of someone who is in a relationship with a transgender person. I personally benefit from memoir style stories, but I would still say that this is a worthwhile read.

Great book very helpful to partners. Still reading.

A collection of short writings of many trans partners and their experiences. Some, like Angela Gail's, "BLESSING OF CHANGE" and the EPILOGUE by Helen Boyd are well written. Many interesting examples for lesbians hooked up with partners leaning towards the "trans-man" world. I have nothing but praise for the contributors for bringing us this seldom heard from side of the trans world... you did good!

I would highly recommend this book to anyone who is going through the transitioning journey with their spouse. Parts of it scared the hell out of me, but most of it did the opposite and gave me a sense of security because I could see that I am not the only person going through some of the things that I am.
