Setting The Table Low Price CD: The Transforming Power Of Hospitality In Business

Synopsis

Danny Meyer started Union Square Cafe when he was 27, with a good idea and scant experience. He is now the CEO of one of the world's most dynamic restaurant organizations that includes eleven unique dining establishments—each—and each is at the top of its game. How has he done it? How has he consistently beaten the odds in one of the toughest trades around? In this landmark book, Danny shares the lessons he's learned while developing the winning recipe for doing business he calls "Enlightened Hospitality." This innovative business philosophy emphasizes putting the power of hospitality to work in a new and counterintuitive way: The first and most important application of hospitality is to the people who work for you, and, in descending order of priority, the guests, the community, suppliers, and investors. This way of setting priorities stands the more traditional business models on their head, but Danny considers it the foundation of every success he, and his restaurants, have had. Full of behind-the-scenes history on the creation of Danny's most famous restaurants, and the anecdotes, advice and lessons he has accumulated on his long and ecstatic journey to the top of the American restaurant scene, *Setting the Table* is a treasure trove of innovative insights that are applicable to any business or organization.

Customer Reviews

Book Description In October 1985, at age 27, Danny Meyer, with a good idea and scant experience, opened what would become one of New York City's most revered restaurants--Union Square Cafe. Little more than twenty years later, Danny is the CEO of one of the world's most dynamic restaurant organizations, which includes 11 unique dining establishments, each at the top of its game. How has he done it? How has he consistently beaten the odds and set the competitive bar in one of the toughest trades around? In this landmark book, Danny shares the lessons he's learned while developing the winning recipe for doing the business he calls "enlightened hospitality." This innovative philosophy emphasizes putting the power of hospitality to work in a new and counterintuitive way: The first and most important application of hospitality is to the people who work for you, and then, in descending order of priority, to the guests, the community, the suppliers, and the investors. This way of prioritizing stands the more traditional business models on their heads, but Danny considers it the foundation of every success that he and his restaurants have achieved. Full of behind-the-scenes history on the creation of Danny's most famous restaurants and the anecdotes, advice, and lessons he has accumulated on his long and ecstatic journey to the top of the American restaurant scene, *Setting the Table* is a treasure trove of innovative insights that are applicable to any business or organization. *Service with a Smile: Dishing with Danny Meyer* Is the

customer always right? According to Danny Meyer, one of America's leading restaurateurs, the answer is no--but "they must always feel heard." Named one of the most influential New Yorkers of 2006 by New York magazine, Meyer, the founder and co-owner of 11 of Manhattan's most influential restaurants, including Union Square Cafe, Gramercy Tavern, Tabla, The Modern, Blue Smoke, and Shake Shack, has penned *Setting the Table: The Transforming Power of Hospitality*, a business book that reads like food lit and equal part personal memoir. .com senior editor Brad Thomas Parsons took some time from his daily long-distance day-dreaming of Shake Shack and caught up with the ever-gracious Danny Meyer over e-mail to ask about his new book, the Food Network, his favorite cookbooks, insider tips on dining out, and much more.
