Customer Reviews

From the newest generation of Arch children's books, these outstanding titles will ground your little ones in authentic biblical teaching. We raised our kids on earlier versions of Arch books and are now giving our grandkids these latest titles.

Not as great as the earlier books.

Typical Arch book. Good read for little kids.

Wonderful books for teaching your children, grandchildren, or friends about the bible stories. The

pictures are very colorful and attractive.

This was another fine retelling of the story of Jesus' Baptism and Temptation. The illustrations were appropriate for all age groups.

I love these books. They explain the bible stories so that kids can understand them. Each one is true to the bible.

Great for my Grandkids

These books are short, sweet, and to the point! Smaller than they may appear, no more than 10 pg, and paper back books. Great reads, kids love them, can read these to younger children but more for maybe like ages 6-10...
