Can You Survive An Earthquake?: An Interactive Survival Adventure (You Choose: Survival)

Synopsis

You're in the middle of one of the most unpredictable natural disasters – an earthquake. No place is safe as the ground shudders, shakes, and splits. How will you survive as the world crashes around you? Will you: • Experience an earthquake far from civilization in a rural area of Alaska? • Be trapped in a large U.S. city during an earthquake? • Fight to survive during an earthquake in Japan and the tsunami that follows it?

Customer Reviews

Rachael Hanel has written several nonfiction books for children, in addition to essays and news and magazine articles. Many of her books have focused on history and social studies. She has a bachelor's degree in journalism and history and a master's degree in history from Minnesota State University, Mankato. She works as a writer, college instructor, and university administrator from her home base of Madison Lake, Minnesota.

Great book for struggling readers - very interesting!
