This is a very easy book to read and a great way to spark an interest in your spouse again. It's very light reading, so easy for even the busiest of people. I think we tend to prioritize all of our other obligations above our marriages sometimes, and this is a great tool to help you refocus your energy on your spouse in order to enhance your marriage and make the most of it. Plus, we all want to feel loved and cherished and this is a great tool to help remind us of little things we can do to ensure our spouses feel that way. Highly recommend!!

LOVE these books. They were so useful to my husband and I. They're great tools to bring light into your marriage :)

Fun to surprise my wife everyday!

I love this book! me and my husband have enjoyed this. we are on day 5 and love it.

Men, GET THIS BOOK! So helpful for a marriage at any stage. It will likely make you uncomfortable some times but if you submit and give it a shot, it will strengthen your marriage.

I love all of Jeff's book. so simple yet profound. These are short and creative ways to show love and appreciation for your loved one. My boyfriends and I are working our way thorough the 31 ways and looking fwd to do them all!

Excellent book. For our relationship it required us to get a little creative and create other tasks that would better suit our work/life situation. Still in the middle of the 31 days, but hoping that waking up every day and thinking about ways to love and encourage her will become a habit.

Full of great ideas to encourage your spouse. Little ideas that mean so much and are different, creative ways to remind each other that you are thinking of them. Another great thing is we all have different love languages so it is fun to see what ways make your spouse feel the most loved.
