Mad Hungry Family: 120 Essential Recipes To Feed The Whole Crew

Synopsis

Author of the beloved *Mad Hungry: Feeding Men and Boys*, Lucinda Scala Quinn is the country's foremost evangelist for family meals every day of the week. And she knows that the only way to make them a reality is by building a repertoire of dishes that are quick and easy to prepare, and guaranteed to please. In *Mad Hungry Family*, Scala Quinn has collected all the no-fuss, big-flavor recipes that send her family stampeding to the kitchen table "from flat roast chicken to second-day spaghetti pancakes" and peppered them with tips, tricks, and solutions learned over a lifetime of cooking both professionally and for her family of five. Here are survival strategies for nothing-in-the-fridge crises, feeding unexpected guests, getting Thanksgiving dinner on the table before your family revolts, and more. Also included are primers on the ingredients and techniques you need "and permission to ignore those you don't. With soulful, satisfying recipes and real talk about what it takes to make family meals a reality, *Mad Hungry Family* is the "you-can-do-this" handbook every home cook needs.

Lucinda Scala Quinn is the founder of Mad Hungry, the headquarters for home cooks looking for proven recipes, strategies, and inspiration. She is the author of four cookbooks, most recently *Mad Hungry: Feeding Men & Boys* and *Mad Hungry Cravings*, and appears regularly on both morning television and QVC with her top-selling Mad Hungry kitchenware line. Lucinda is the former senior vice president and executive editorial director of food and entertaining at Martha Stewart Living Omnimedia and the host of her own television show, *Mad Hungry: Bringing Back the Family Meal*, and she cohosted *Everyday Food* on PBS for six years. She lives and cooks with her husband and three sons in New York City. Â

Her recipes are simple, good, & easy. The print however, is way too small.

I'm loving this! I have already raised a family on home cooking but I'm learning a lot from this whole series and picking up very good new recipes that are now part of my normal rotation.

I love all of her books and kitchen tools. This is no exception

I love all of Lcinda Scala Quinn's cookbooks. I have 3 boys, and they love everything I make from these books

This book reminds me of the great memories spent with my family at the dining room table. Its nostalgic recipes bring me back to "family" time EVERY TIME!

I love cooking and am fairly good at it. This book inspired me to keep at it especially with my young kids. Lucinda articulates everything I have always loved about cooking. The additions from her sons gives a mother with young children a peek into the future. Many friends of mine aspire to like cooking or to stay in budget, I will be recommending this book to all of them.

Another Hit!! As soon as it came we starting marking the pages of the recipes we couldn't wait to make!

I love the unique recipes, and I wish she still had her show with Martha Stewart..
