Customer Reviews

Dr. Patsy J. Fulton-Calkins' experience in the field is extensive. Her past experience in the workplace includes working as an administrative professional for large corporations for six years. Early in her career, she completed the CPS certification. Her teaching experience includes over 13 years at the university, community college, and high school levels. In addition to her teaching experience, she has worked as an administrator in the following positions: [Chancellor of Oakland Community College](#) (the chief executive officer), Oakland County, Michigan [President of Brookhaven College](#), Dallas, Texas [Vice-President of Instruction at El Centro College and Cedar Valley College](#), Dallas, Texas [Division Chairperson of Business and Social Science](#), Cedar Valley College, Dallas, Texas Her present position includes working with

Tom Monaghan Associates, Inc. as a senior consultant in institutional advancement work with clients across the United States. Additionally, she is an adjunct professor at the university level. Her educational credentials include a B.B.A., an M.B.Ed., and a Ph.D. Honors include Outstanding Alumnus, University of North Texas; Transformational Leader in Community Colleges; Who's Who in America, Outstanding Woman in Management; Paul Harris Fellow of Rotary International; Beta Gamma Sigma, National Honorary Business Fraternity; and Piper Professor. Dianne S. Rankin is an author, a consulting editor, and a developer of instructional materials for textbooks, websites, and ancillaries as well as educational publishers. Dianne has taught at the high school and community college levels and continues to teach computer classes for businesses and organizations. In addition, she has firsthand experience as an administrative assistant. Kellie A. Shumack is an associate professor of instructional technology and a department head in the College of Education at Auburn Montgomery. She has worked as an administrative assistant and has taught at the secondary, community college, and university levels. Kellie has designed numerous college courses in both the online and face-to-face environments. She has authored multiple peer-reviewed journal articles, two textbooks, and several book chapters, and she has presented at over 40 professional conferences. Kellie was awarded the 2012 Auburn Montgomery College of Education Excellence in Teaching Award, received the 2010 Delta Pi Epsilon Outstanding Doctoral Research Award, and maintains a certificate to teach online courses at the postsecondary level.

I don't like that it doesn't let me print from book. Some cites let you print a certain amount of pages from their online books. I had to copy text then print it. I normally print out the homework questions.

Good product for good price.

This is the most up-to-date version needed to take office management in college. It's also a great read for anyone who's interested in office management and wants to see what it's all about. Great read either way you use it.

The Administrative Professional" Technology & Procedures book is a great tool for helping students make the transition to working in an office . Great discussion questions and examples.

Excellent!

Came as described thank you very much

Book held up well...easy to read.

Provide important information for the administrative assistant, excellent resources, and exercises.
