In our small parish in downtown Detroit this is the perfect text for a small number of confirmation applicants. It can be used either in a classroom or in the home. It presents a good opportunity for the continued formation of the adults, parents, catechists or sponsors who share the journey with the young person(s).

it is a very useful tool, very fast, receive it next day, very recommend . great, and very happy. Definitely a good purchase. I was looking for a replacement for my chef's product and this looks to be a really well made product. Its sharp, with a nice weight to it. Will definitely recommend to anyone looking for a good product at a reasonable price.
