Dear Reader: The Unauthorized Autobiography Of Kim Jong Il

Synopsis

No country is as misunderstood as North Korea, and no modern tyrant has remained more mysterious than the Dear Leader, Kim Jong Il. Now, celebrity ghostwriter Michael Malice pulls back the curtain to expose the life story of the "Incarnation of Love and Morality." Taken directly from books spirited out of Pyongyang, DEAR READER is a carefully reconstructed first-person account of the man behind the mythology. From his miraculous rainbow-filled birth during the fiery conflict of World War II, Kim Jong Il watched as his beloved Korea finally earned its freedom from the cursed Japanese. Mere years later, the wicked US imperialists took their chance at conquering the liberated nation— with devastating results. But that's only the beginning of the Dear Leader's story. In DEAR READER, Kim Jong Il explains: *How he can shrink time *Why he despises the Mona Lisa *How he recreated the arts in Korea *Why the Juche idea is the greatest concept ever discovered by man *How he handled the crippling famine *Why Kim Jong Un was chosen as successor over his elder brothers With nothing left uncovered, drawing straight from dozens of books, hundreds of articles and thousands of years of Korean history, DEAR READER is both the definitive account of Kim Jong Il's life and the complete stranger-than-fiction history of the world's most unique country.

Excellent insight to what is really the driving force of this people! Mr. Malice is an expert on North Korea and makes this topic much easier to understand! Great depth in a superb format!

Great read. Funny and educational. Could not put it down

Great read, especially in light of today's world tension!

pretty good read.

Very cleverly written book which will teach you about the history of the Korean Peninsula, as well as give you an insight into how they think. Highly recommend!

Really enjoyed this insightful look into a world I'll never know. Well written and funny in an odd way

Malice is a very funny and well researched writer. The history is also very interesting. Great read.

I enjoyed it because of the author, the information and the way it reads.
