my favorite

Delicious!!!!

We received this cookbook as a wedding gift in 1999 and have turned to it again and again ever since. We've used it to plan dozens of meals for our regular supper club, and despite our best intentions, have yet to work our way through every recipe. (Some favorites simply demand to be revisited over and over again.) Still, without exception, everything we've tried has been simple to prepare, delicious, and well-received. We have given this book as a gift ourselves, more than once.
