Sleeper: A Spiritual Warfare Romantic Thriller (Crystal Book 7)

Synopsis

Have you ever loved someone who was bad for you? Crystal knew all along that loving Juda was foolish. Something has to give. Either Juda changes or there is no hope. The more Juda fights his father's organization alongside Crystal, the more he's drawn to her and the faith that he has seen defeat his father's occultism. But he cannot change. He has done too much and gone too far. When Crystal is in danger of being killed by an assassin that Luke has sent after all the notable Christians in the country, Juda is desperate to keep her safe. But he sinks into oblivion each night when the assassin strikes. It soon becomes clear that Luke is pulling out all the stops to get Juda back. Juda's options are limited. Either he goes deeper into the occult to save both himself and Crystal from Luke's plans, or he loses everything. Crystal thinks there is a third option, but becoming a Christian is not an option for Juda. God doesn't want people like Juda. And when Crystal finds out his secret, she won't either. Juda has to make a choice. The biggest choice of his life. What will he do? A Christian supernatural thriller with romance and a hint of conspiracy by bestselling author, Dayo Benson.

Customer Reviews

I absolutely love Dayo Benson's books they really show God in them and each one is pure art. :) I would highly recommend every book of hers.

all the books were Amazing!

Hope this all doesn't really happen

Dayo Benson writes in a way that keeps you wanting more. I can't wait for the last book in this series. So im writing reviews to pass the time ... hurry up Dayo! Lol. I hear she has quite a fan base here in South Africa; real die hard fans who buy books when the dollar is so strong

This series is very well written. You end up really wanting to know what happens to the characters so go to the next volume. I love how all of her books emphasize a personal relationship with Jesus. You won't be disappointed.

While the story line continues to hold my interest, the increasing similarity to the Harry Potter series is disappointing. Also, the numerous typos, grammatical errors and incomplete editing are becoming increasingly annoying.

I've enjoyed "Sleeper" just as much as I have enjoyed the whole Chrystal collection. I can't wait for more books on this team. Great work Dayo Benson!

I really thought this was the last book of the Crystal and Juda's story. I never ever expected Juda to accept Christ, that was awesome. Great job!! Please don't allow us to wait long for the 8th book in the series because Luke has absolutely lost his ever hating mind. Go write!!
