The Kingdom Of The Cults

Synopsis

The authoritative reference work on major cult systems for nearly forty years. Working closely together, Ravi Zacharias and Managing Editors Jill and Kevin Rische (daughter of Dr. Martin) have updated and augmented the work with new material. This book will continue as a crucial tool in countercult ministry and in evangelism for years to come. Among cults and religions included are: Jehovah's Witnesses, Mormonism, New Age Cults, the Unification Church, Baha'i Faith, Hinduism, Buddhism, Islam, and more.

Customer Reviews

Dr. Walter Martin held four earned degrees, having received his doctorate from California Coast University in the field of Comparative Religions. Author of a dozen books and a half-dozen booklets and many articles, Dr. Martin died in 1989. Ravi Zacharias, the general editor, is president of Ravi Zacharias Ministries, a respected speaker, and author of many books.

.Great book for learning about cults and what they believe. Also, great use to see what may help them find the truth in Jesus. Recommend this for anyone who wants to learn more.

We used this for a textbook in Bible school. It is a great resource for learning about the various cults in the world. Walter Martin has done a lot of research and I feel that this book is a good one to have on your shelf as a reference.

I do ministry with college students and it's so helpful to have a book like this which gives an overview of many different cults and their basic beliefs. It's especially helpful for me working in a college setting, where you run into a wide variety of faith systems that have over time, become mainstream like Mormonism. The book for instance shows what key differences Mormonism has with biblical Christianity. Some of the cults in the book, I never even knew existed such as the Unification Church (Moonies) or something that doesn't get as much less attention such as Unitarian Universalism, which help to prepare me for doing ministry with people who may adhere to their beliefs when on campus.

Another very good reference book on what the cults believe. But I did find it interesting that since Martin did not view Seventh Day Adventism as a cult that they printed some 93 pages on the SDA and much of that material is found in book that view the SDA as a cult.

Phenomenally insightful. I could go on for a long while as to how important this material is for Christians or even those who are exploring Christianity or the "religions" around Christianity.

valuable information for every christian, if every christian would spend as much time reading books like this they would be able to rightly divide the word of truth to people who are blinded by these cults. but remember do it in love and humbleness .

A TRUE TEXT BOOK. Contents require close reading. Very informative. I would recommend this for all believers.

As with anything written by Dr. Martin this book is outstanding.
