Trapped In A Video Game: Book Two

Synopsis

Jesse Rigsby is on a mission to save his friend Mark, but first he's got to shake the Bigfoot chasing him through the school library. And then there's the velociraptor in the bathroom. Oh yeah, don't forget about the ginormous flame-throwing bat in the cafeteria. Jesse is trapped in the invisible world of Go Wild — a Pokemon Go-style mobile game — and if he doesn't solve the mystery of what happened to Mark soon, he's never getting back out. *Trapped in a Video Game 2* is the funny, exciting sequel to Dustin Brady's popular *Trapped in a Video Game* book. It's perfect for boys age 9-12, as well as anyone who loves fun, fast-paced read.

Customer Reviews

9 & 10 years LOVE this series. It's a great buy for kids who are into video games. He didn't much care for reading until I bought him book #1. Now, he is really into reading. He has read these books at least twice, which says a LOT!

My grandson love it. And asked for # 3 when it comes out.

My 12 year old loved this series. He read both books in about 2 days. I hope more in the series come out, soon. We'll be watching for them. =)

I bought this book for my 9 year old son and he loved it!

These books are awesome! I was looking for something to read to my third grade class for fun at the end of the year. They loved these!! The books are just a really fun and funny quick read. My kids couldn't wait to hear what would happen next.

My 10 year old loves this book

My 9 year old grandson loves this book series.

My grandson loved volume one so when I gave him volume he was so excited. He loved the aspect of the story and had a hard time putting it down.
