# Absolutely Beautiful Things: Decorating Inspiration For A Bright And Colourful Life

## Synopsis

In *Absolutely Beautiful Things*, successful designer Anna Spiro shows you how to create an interior that's just right for you. To her, it's all about the mix, not the match, and, with her help, you'll find beauty in unexpected places. She'll give you the confidence to put together a layered and very individual home using elements you love, and make you see your old belongings in a new light. As well as lavish photographs of rooms Anna has created, she shares many of her secrets from a life in decorating, gives practical details on how to work with pattern and color, and provides a room-by-room guide to furniture choice. 'I always endeavour to create happy, interesting, layered and uplifting spaces. That means mixing everything: color and pattern, old and new, square and round, quirky and conservative. It's the imperfections and surprises that make a space interesting'.

I just couldn't justify keeping this book, even at used book price. I cannot relate to the rigid

decorating 'rules' of the author. Patterned fabrics are pretty however, and there are a maybe 2 photos to which I can relate. Sorry must return.

Beautiful book. Bought it for its colorful cover to decorate my bookshelves. It makes me happy every time i see it in the stack.

Very pretty book with some great decorating advice.

Lovely, beautiful. I keep in my coffee table. Even my little nieces love to thumb thru the beautiful pages.

Stunning book and a great price! Very happy with the purchase and prompt arrival. Thanks!

Absolutely useless

Perfect gift for a fashionably curated friend!!
