Avatar: The Last Airbender--North And South Part One

Synopsis

When Aang leaves to aid Zuko with the Kemurikage, Katara and Sokka return to the Southern Water Tribe by themselves. Katara is shocked to find that her beloved village has become a bustling city, with none other than their father, Hakoda, in charge! A Northerner named Malina seems to be behind this change, pushing the North and South to be more unified...but what are her true goals? Written and drawn by the creative team behind the best-selling *The Search*, *The Rift*, and *Smoke and Shadow*, Gene Luen Yang and Gurihiru, in collaboration with *Avatar: The Last Airbender* and *Legend of Korra* creators Michael Dante DiMartino and Bryan Konietzko, this is the ultimate continuation of *Avatar* and the perfect companion to *Legend of Korra*!

Tie-In

Age Range: 8 - 12 years

Grade Level: 3 - 7

Customer Reviews

Gene Luen Yang began making comic books in the fifth grade. He has since written and drawn a number of titles. His 2006 book, *American Born Chinese*, was the first graphic novel to be nominated for a National Book Award and the first to win the American Library Association's Michael L. Printz Award. It also won an Eisner Award for Best Graphic Album - New. His 2013 two-volume graphic novel, *Boxers & Saints*, was nominated for both the National Book Award and the LA Times Book Award. Gene currently writes the graphic novel continuation of the popular Nickelodeon

cartoon, Avatar: The Last Airbender. The Shadow Hero, his comic book series with Sonny Liew, revived the Green Turtle, an obscure 1940s character who is arguably the first Asian American superhero. The Shadow Hero is now available as individual digital issues via Kindle.

Good plot, good drawings only reason I gave it a 4 star rating is because how short it is. Takes you like 10-15 mins to finish it, not only but the next part which will be part 2 isn't going to be realised until next year.....I mean come on 15 min read then you don't release part 2 until almost 5 months after?

This was more in comic book form which I wasn't aware. But my son loves it :)

I've enjoyed all the continuing adventures with the Aang gang. I hope they continue this series until the legend of Korra era.

More Avatar is good Avatar

Read it. Love it. Leaves you hanging for more!!

LOVE!

Great book , I love the series so for these book to tell the continuation of the story is truly a blessing , can't wait to read the rest of the book , part 1 ends with a wow factor and leaves you with quite a few questions

As endearing and comical as the TV Shows with the same artistic style as the cartoon. Came in great condition and I already pre-ordered part 2 and 3. Can't wait to read them!
