## **Customer Reviews**

Back in 1984, Vickie Hutchins and Jo Ann Martin, next-door neighbors raising their families in the little town of Delaware, Ohio, started Gooseberry Patch. They were two moms with small children looking for a way to do what they loved and stay home with the kids too. They shared a love of home cooking and making memories with family & friends. After many a conversation over the backyard fence, Gooseberry Patch was born. They put together the first catalog & cookbooks at their kitchen tables and packed boxes from the basement, enlisting the help of loved ones wherever they could. From that little family, Gooseberry Patch has grown to include an amazing group of creative folks who love cooking, decorating and creating as much as Vicki and Jo Ann. Hard to believe it's been over 25 years since those kitchen-table days. Today, Gooseberry Patch is best known for homestyle, family-friendly cookbooks. They love hand-picking the recipes and are tickled to share their inspiration, ideas and more with you. One thing's for sure, they couldn't have done it without their friends all across the country. Whether you've been along for the ride from the beginning or are just discovering Gooseberry Patch, welcome to the family!

EXCELLENT cookbook. Very user friendly. Shipped quickly and with care.

great cookbook came in excellent condition.

I really like Gooseberry Patch cookbooks!!!They have such great recipes, memories and stories from their contributors, craft ideas, and wonderful illustrations!The one disappointment about this transaction was that the comb binding on this book was completely crushed upon arrival. I had to remove all the pieces, and use twine to rebind the book.

Major yum on these recipes. I want to bake them all! Bake up several kinds to give to your neighbors this Christmas.

This is the perfect book for a true cookie baker; all the recipes are fantastic and easy to follow; great variety of recipes too; makes a great gift for the cookie baker in your life (including yourself)

This arrived quite quickly, it is of good quality. The recipes are actually recipes you will use. I would recommend.

Love Gooseberry Cookbooks. Got this for my niece who is beginning a cookie business. She'll love the recipes as I did when I got my Old-Fashioned Country Cookies Cookbook!
