Think Like An Astronaut! How Do Rockets Work? - Science For Kids - Children's Astronomy & Space Books

Synopsis

This educational tool gives a new meaning to “rocket science”. Contrary to what was previously agreed, rocket science doesn’t have to be too difficult. It can actually be presented in a way that’s easy for young learners to understand. The secret? Pictures! With the right placement of images and selected texts, pictures can become the secret to effective study. Grab a copy today!
