Be Your Own **HEALTH DETECTIVE**: How To Find A Permanent And Drug-free Cure For Your Chronic Pain

Synopsis

TROUBLING HEALTH PROBLEM? END YOUR PAIN TODAY. Get the #1 bestselling book for Chronic Pain on . For the first time, Be Your Own Health Detective places professional diagnostic tools directly in your hands. By revealing the critical problem solving questions, this essential health reference guide outlines the process anyone can use to solve virtually any pain or chronic illness in as little as one hour. By so doing, the reader can learn how to bypass invasive diagnostic tests, unhelpful doctors, ineffective drugs and unnecessary surgery. Finding the cause of a chronic disease can often be elusive, but it simply requires a disciplined and direct method of gathering and analyzing each person's relevant symptom history. This is information the patient not only has the best knowledge of, but which most physicians have neither the patience or training to uncover. Most doctors perform a quick and superficial examination, then leave the patient with a prescription that only temporarily treats the symptoms and fails to permanently resolve the problem. For over 25 years, naturopathic diagnosis specialist Reid Jenner has trained thousands of people around the world in how to find the root cause of intractable problems. He has successfully facilitated hundreds of individual cases across a wide range of disorders to help his clients find a permanent solution for whatever ails them. In virtually every instance, a simple and drug-free cure is discovered by removing the source of the problem, which is usually some kind of toxin, deficiency, or dietary imbalance. If you're: Tired of taking never-ending prescriptions that don't cure your symptoms; Constantly subjected to invasive tests that don't reveal the cause of your problem; Rushed out of your doctor's office by an MD who doesn't listen to you; Suffering with symptoms that your health care professional can't cure; Contemplating surgery for a seemingly intractable health problem; It's time to take matters into your own hands. Learn how to solve your own health problems--quickly, naturally, and effectively. Order this book today and get on the road to permanent recovery! A sampling of rave reviews from readers: "This is a brilliant book. It takes a holistic perspective and helps patients to think like Sherlock Holmes. I think every patient with an undiagnosed illness should read this. It will help them help their doctor to diagnose their illness." (Dr. A. Malpani, MD) "If you have ever watched the hit TV show "House", or realistic inquiry-based shows like "CSI", you will find this book inspiring, empowering, and extremely helpful. It gives you the tools to do what doctors simply cannot do under the present system: find a way to deal with and heal your own and your loved ones' illnesses." (Andy K.) "I truly recommend this book for everyone with any health issues. After six years and fifty-four doctors and misdiagnoses this book has saved my life." (Michelle H.) "It's absolutely amazing how much one can deduce for oneself before a doctor visit. Simply wonderful! (Gwen M.) "Two big thumbs up! This is a

well-researched eye opener that is a must read.Ã Ã Highly recommended." (Reviewer)AboutBe Your Own Health Detective is a self-empowerment book specifically tailored to help individuals experiencing chronic pain or an undiagnosed illness diagnose the root cause of their disorder without additional medical intervention.Ã Ã Once the root cause is pinpointed, a quick and painless permanent cure can normally be applied without need for prescription drugs, surgery, or additional medical testing.

Customer Reviews

"As a physician and instructor at a major teaching hospital, I believe this approach should be taught in medical schools.Ã Ã Doctors quickly forget how to diagnose problems once they face the pressure cooker realities of the emergency room or the managed care office." (Maggie Ann Jeffries, Anesthesiologist, Houston, TX)"Your book is right on the money in terms of how doctors typically interact with their patients. I will recommend your book to everyone who leaves our hospital with 'Not Yet Diagnosed' at the bottom of their chart." (Angele Stammle, ER Nurse, Windsor, Ontario)"I enjoyed reading your book.Ã Ã It flowed well and was very clear and understandable. Your approach has great merit, especially in those difficult-to-solve diagnostic dilemmas, and sometimes could be life-saving." (Dr. David Thompson, Internist, Niantic, CT)"Having worked as a sales rep for a major pharmaceutical company for many years, I knowÃ Ã how frequently my colleagues sayÃ Ã whatever is necessary to get physicians on their side. Many doctors are indeed pharma influenced, and as a result focus too often on treatingÃ Ã only the patient's symptoms."

(Bridget Miller, Leesburg, VA)

For over 25 years, acclaimed naturopathic diagnosis specialist Reid Jenner has trained thousands of people around the world in how to find the root cause of health problems. He has successfully facilitated hundreds of individual cases across a wide range of disorders to help his clients find a permanent solution for whatever ails them. In virtually every instance, a simple and drug-free cure is discovered by removing the source of the problem, which is usually some kind of toxin, deficiency, or dietary imbalance. He is passionately focused on helping every patient use his or her personal health history to find the quickest, simplest, and least invasive permanent solution to each problem. In his experience, the vast majority of intractable problems can be solved in less than 60 minutes simply by asking the right questions and using the patient's own knowledge of his body and his problem history. Now, for the first time, he is sharing his proven diagnostic techniques in this comprehensive health reference guide for everyone's use. Read detailed client success stories at: artemvitale.com

Excellent summary of today's healthcare culture, human needs, and instructions on how to care for one's experience!

Time with a physician/s is so limited. If you have an undiagnosed illness or one and all you do is take medications with little, if any improvement. You deserve health and vitality and a life of purpose and happiness. A concise guide in helping you discover the ROOT cause of your problem. Then share with the RIGHT physician and get yourself better, in majority of illnesses. Be your best friend. No one knows you better than yourself. Dr. Jenner, is a great leader in helping you find the right answers. Easy and concise. User friendly!!!!

Loved this book!!! It helped me out with so many of the own health questions and concerns I've had for years and more importantly, it helped me with my children when they've been sick or not well! Highly recommend this read!
