## Customer Reviews

I would have given it a FIVE but for some reason, they chose to format the calendar grid starting on Monday. We've become so used to calendars starting on Sunday that this is a real problem. The 2011 "F.G." calendar was the "normal Sunday" format and I hope they return to it in 2014.

i threw this calendar in the garbage since it led to confusion. you see, the customary left side of the calendar, usually reserved for sundays, was now mondays, with sunday at the far right. i want my money back from the geniuses that created this thing. not funny at all.

I've been ordering Family Guy calendars every year and i love them all. It's always good to see and read some of the funniest phrases they said on the show. => Makes my day!

I purchased this item as a gift -- it took a little longer than expected (came from Switzerland) -- but he LOVES it! I can't seem to find them in the stores....will just have to order earlier next year!

what can i say? it's family guy everyday! hey that rhymes! but seriously, ignore the warning that it will take like 2 months to arrive. i got mine in 5 days!

Bought this wall calendar for my son, he loves Family Guy. This calendar did not disappoint, and the price was great.

exactly as described and pictured, arrived ahead of time. i am more than satisfied with this product and company. :)
