Without Rival: Embrace Your Identity And Purpose In An Age Of Confusion And Comparison

Synopsis

Now a New York Times bestseller! There is a reason we look at others as rivals and limit ourselves to comparison and competition. We have an enemy assaulting our mind, will, and emotions in the hope that we'll turn on ourselves and each other. It's a cycle that isolates us from intimate connections, creates confusion about our identity, and limits our purpose. In *Without Rival*, bestselling author Lisa Bevere shares how a revelation of God's love breaks these limits. You'll learn how to stop seeing others as rivals and make the deep connections with your Creator you long for--connections that hold the promise of true identity and intimacy. With biblically sound teaching filled with prophetic insight for our day, Lisa uses humor and passion to challenge you to flip rivalry so it brings out the best in you. Stop hiding from conversations you need to be a part of. Answer the argument that says women are unfit, easily deceived, and gullible. Dismantle gender rivalry and work with the men in your life. It's time to step forward to live a life without rival.

Inspiring read. It was so good I didn't want to get to the last page. Most definitely a book worth reading if you are a woman who wants to walk in your purpose and celebrate other women as they do the same.

Lisa Bevere's heart and passion can be felt once again in this book. Too many times we fail to step up and step into the role, calling and life we are ordained to be in because of the comparison lies we choose to listen to. This book addresses this subject with strong challenging words and heartfelt convictions. If you are a fan of her writings or follow her ministry, you will not be disappointed.
