# Preserving History: Patchwork Patterns Inspired By Antique Quilts

## Synopsis

Discover how to reproduce the time-honored treasures of the past with authenticity and ease. Create your own versions of antique designs from a stunning collection of history-rich quilts spanning the late 1800s through the 1930s. Get the historic look you love with detailed instructions for constructing your reproduction from start to finish, with a special focus on the types of quilting designs popular through the years. Use your modern quilting tools and skills to re-create antique quilts for daily use or display. An essential resource, brimming with possibilities for antique-quilt lovers. Close-up photos and detailed construction tips make it easy to understand how antique quilts were finished.

## Customer Reviews

Julie Hendricksen has been collecting antique quilts for more than 30 years. Scrap quilts from the turn of the nineteenth century are her favorites. As Julie professes, the more fabrics in each quilt, the more interesting they become! Visitors to Julie's quilt shop, JJ Stitches in Sun Prairie, Wisconsin, will often find both a reproduction quilt and the antique quilt that inspired it on display together. Julie's collection of antique quilts is the inspiration for the fabric lines she's designed for Windham Fabrics, and it's no surprise that her shop specializes in reproduction fabrics.

5 stars for seller and for item. Very nicely done book.

Very nice book. Pictures are wonderful. Nice descriptions of the quilts and when they were made. Although I have not made any of these, the directions to make them seem clear and concise. I will be making a few of these.

I love the traditional quilting and this book is perfect. A great investment.

I love to look at traditional quilts and think about the good times I had playing under the quilting frame while the neighborhood ladies quilted.

Very nice book

Love it.

Wonderful Book for History Patterns of the Past.

Loved Julie Hendricksen's latest book.
